HEALTH CAMPAIGN:-

This year India Govt. started a plan to build toilets in every homes of villages of all over India and conduct awareness campaigns. Our children took part in the camps, they conveyed the importance of hygiene factor to the people and handed over hand bills to door to door in the part of campaign.

Many come forward to build toilets in their houses with the help of bank loans. It was a great victory to our Home children home.

WATER SCARCITY

We are experiencing more heat and water problem, this year our house owner is very kind enough he deepen the borewell to get enough water to our children, we thanked him lot for the generous help.

FREE SCHOOL

We run free schooling for about 25 children from our surrounding areas. We conducted free coaching with the help of many qualified teachers who came forward to help us in the upbringing of our children. The children came each day directly from school, refreshed themselves with some snack provided by us, study along with our home children. They then have dinner with our children and go home. This gained good response from the neighboring areas and children have started to become healthy both in mind and body. We pray that they would soon give their lives completely to Jesus.

REPORT FROM SUJITHA –RBOO3

Hi, Greetings, I am sujitha, I am here for 4 years and I am studying 4th grade, my father is Deepanathan and my mother, Vennila , my father is drunkard, my mother work as daily labourer and sometimes help in Rebekah Home,

At that time our Home parent learnt our situation and admitted me in the home here my lifestyle is totally changed now, and I am a roll model for my school friends, I learnt good habbits and grow as a Godly child with all the other friends,

Here everyday we worship Lord, each one take leadership and conduct prayers, we eat well, study well, play well we have good relationship with free school children I am happy here and wish many more children like me to get good care and grow as a wonderful citizens.” Praise God”.
